MEMORANDUM

TO: Mr. Steve Summerall, CAO
Office Staff – Board of Commissioners

FROM: Delois Campbell, HR Administrator

DATE: July 8, 2008

RE: Appeal of Job Position Oversight Committee

The Job Position Oversight Committee advised us to forward our appeal to the Budget Committee of the Shelby County Board of Commissioners. No other information was available relative to a specific procedure so we opted to prepare a memo outlining our position.

Please ensure that Ms. Deidre Malone receives it.

Thanks for you assistance.

Juvenile Court of Memphis and Shelby County

616 ADAMS AVENUE MEMPHIS, TENNESSEE 38105
P.O. Box 310 MEMPHIS, TENNESSEE 38101

MEMORANDUM

TO: Ms. Deidre Malone, Commissioner
Shelby County Government
Chairman, Budget Committee

FROM: Larry Scroggs, CAO/CLC 

DATE: July 7, 2008

RE: Appeal of Job Position Oversight Committee

On July 1, 2008, I and other representatives from Juvenile Court met with the Job Position Oversight Committee to request approval to fill vacant positions in the Detention Center and to reclassify the Court's Training Coordinator classification from a grant-funded slot to a general fund position. The Committee approved the filling of the positions in Detention but rejected our request for the reclassification.

We realize that the Committee has a difficult job to perform and we appreciate the time and consideration they granted us. Our appeal is not a criticism of their actions but rather a plea for further consideration.

Mr. John Walton was a Supervisor A in Housekeeping Services. His position was approved in the FY 08-09 budget; however, he opted to take advantage of the retirement incentive offered by Shelby County Government and retired effective July 1, 2008. Ms. Pamela Taylor, a 13-year County employee, is the Court's Training Coordinator. Her salary is paid through the Justice Assistance Grant, which will expire September 30, 2008.

The Training Coordinator's position is crucial to Court operations. To maintain it, we opted to not fill the supervisory position in Housekeeping Services and reassigned the duties and responsibilities to the Manager's position in Facilities Management. The Training Coordinator and Supervisor A positions are both Grade 51, thus, we want to reclassify the training position from grant-funded to local funds.

Our administrative area is a "bare bones" operation. We have the minimum number of employees needed to perform administrative functions; thus, the staff in this area must multi-task to avoid increasing the staffing complement. The Training Coordinator must also multi-task and is not limited to developing and implementing training classes; she is also responsible for:

- coordinating audits by federal, state, and local agencies
- ensuring all State-mandated training requirements are met. The TN Department of Children's Services for Juvenile Detention Facilities stipulates "all personnel whose duties include the supervision, custody or treatment of youth shall be required to complete an annual in-service program designed to instruct them in specific skill areas of detention operations. This annual in-service shall consist of forty (40) hours to be approved and monitored by the Tennessee Department of Children's Services." The Tennessee Commission on Children and Youth (TCCY) stipulates Youth Services Officers (Probation Counselors) are to "receive forty (40) hours of training approved by the TCCY and twenty (20) hours of training during each subsequent year of employment."
- ensuring federally-mandated training requirements are met (i.e. the Food Nutrition Service Program)
- serving as the Court's Title VI Coordinator and ensuring compliance with federal practices
- coordinating benefit programs for Court personnel
- developing, coordinating, and conducting in-house training.

Commissioner Henri Brooks has advised the Court to implement diversity training. Her advice paralleled with planned diversity training for the Court but kicked it up a notch. Ms. Janice Banks of Small Planet Works, Inc. met with the Training Coordinator and other Administrative Services personnel to plan Train-the-Trainer sessions and other initial steps. This is necessary training to address the cares and concerns of the diverse clientele we serve with enhanced sensitivity as well as to promote sensitive interaction among Court staff.

In an effort to comply with the County's directive to reduce our budget, we have sought ways to cut, reorganize and retool. Shelby County Government does not offer employee training nor will our budget accommodate external seminars, consultants, trainers and classes. The Training Coordinator is responsible for coordinating training for each job classification at the Court. This includes, but is not limited to, developing in-house classes; seeking local training that is free or of very minimal cost to enhance the skills and knowledge level of Court staff; and advising departments of training processes to address cross training needs.

As positions are not filled due to budgetary constraints, job duties will be reassigned. Employees who assume additional responsibilities must be prepared to perform competently in order to provide a level of service clients require, to maintain productivity, to upgrade their skill/knowledge level and to meet best practice standards.

We firmly believe that employees will invest their time and serve the community effectively if the Court invests in their growth. The recruitment, interviewing, testing, background checking, physicals/drug testing/psychological exams, orientation, and training of new employees is costly for the County as well as Juvenile Court. Maintaining and enhancing the skill and knowledge level of current employees contains costs.

The Training Coordinator classification is not a "fluffy" position. Juvenile Court has critical training needs for both line and management staff. We do not have enough staff members to perform the training function and related duties. The Training Coordinator is sorely needed.

A job description and a brief summary of some of the tasks the Training Coordinator has performed are attached for your review.

Your consideration will be greatly appreciated.
